

# Pledge to Care for the Environment

## Pray

I pledge to pray for the healing of the environment.

## Educate

I pledge to learn about the environment in my country and in my twinning communities' country.

I pledge to share what I learn about the environment with my friends and family.

## Act

I pledge to reduce litter by throwing trash away properly and cleaning up the environment.

I pledge to recycle, reuse and reduce items when possible.

I pledge to support organizations and individuals who are working on environmental issues.

I pledge to take the following additional action to do my part in caring for creation.
