DIOCESE OF RICHMOND
“FOR THE EVANGELIZATION OF PEOPLES”
JUNE 19, 2010
ST. MARY PARISH, RICHMOND**

I wish to thank you for being a part of this Eucharistic Celebration for the Evangelization of God's People.

The Hispanic Community is important in the Diocese of Richmond because you are vital and integral members of our faith community and society. Hispanics now comprise a major portion of our diocesan family and you play a vital role in the present and future of the Church in Richmond.

Christ is calling you to evangelize and help sanctify His people and build His Church. We in the Diocese embrace you as essential members of Christ's mystical body and our faith community.

May the Good Lord continue to bless your efforts and those of the entire Hispanic Community of the Diocese of Richmond.
