Dear Pastors, Pastoral Coordinators, Campus Ministers and Parish Council Leaders:

We are pleased to send you the results of the *We Walk By Faith* survey for your parish. The enclosed disc provides you with the following: (i) survey results as raw data in an Excel file format; (ii) survey results in a .pdf file format; and (iii) a compilation of the comments from the survey's back page. In addition, enclosed for your use is a hard-copy of the survey results.

If it hasn't happened already, you should be contacted by Mrs. Anne Edwards, Special Assistant to the Bishop, to schedule dates for the Bishop to meet with the people in your parish and listen to their conclusions and findings.

This project provides tremendous opportunities not just for each parish, but for the entire diocese. Based on the written comments, and requests for diocesan help received so far, this undertaking marks a new beginning in cooperation and collaboration. By the way, please address requests for assistance at the diocesan level to Sr. Diane Guy at dguy@richmonddiocese.org.

We continue the journey in this New Year. We walk by faith.

Sincerely,

The Steering Committee:
